EDUCATION

University of Washington PhD in Global Health Metrics	Seattle, WA 2022–current
University of Washington MPH in Global Health (Health Metrics and Evaluation track)	Seattle, WA 2020–2022
Cayetano Heredia University MSc. in Biomedical Informatics in Global Health major in Healthcare Informatics	Lima, Peru 2017–2019
Scientific University of the South Human Medicine (MD)	Lima, Peru 2008–2015

PROFESSIONAL EXPERIENCE

Institute for Health Metrics and Evaluation Research Assistant - US Health Disparities Team	Seattle, WA 2022–Current
University of Washington - ITECH Integrated Next-generation Surveillance in Global Health (INSIGHT) <ul style="list-style-type: none">– Assessment of national surveillance systems in Peru contributor	Seattle, WA 2022–Current
University of Washington Data Analyst Intern for UNAIDS and CFAR collaboration <ul style="list-style-type: none">– Literature review of Transgender population size estimation– Curation of UNAIDS transgender data sources list– Country-specific estimation of transgender population size	Seattle, WA Fall 2021
University of Washington Research Assistant at the International Training and Education Center for Health (I-TECH) <ul style="list-style-type: none">– Monitoring and Evaluation support activities for the Zimbabwe Care and Treatment Program– Development of PEPFAR indicator dashboards and ad-hoc reporting– Design and development of CommCare-based digital data entry forms– Training and capacity building of in-country personnel	Seattle, WA 2020–Current
Puente Piedra Police Health Center General Practitioner at primary health care center	Lima, Peru 2019–2020
Cayetano Heredia University Mamás del Río Program: Coordinator and Technology Director	Lima, Peru 2016–2019
Program Brief: Mamas del Rio (Mothers of the River) is a multi-component, maternal and neonatal health program aiming to improve newborn care practices in rural Amazonian Peru through educational home visits by Community Health Workers to pregnant women, mothers, and their families. <ul style="list-style-type: none">– Conceptualization of transition-to-scale program and funding acquisition	

- Design and development of CommCare-based data collection, mHealth component and M&E tools
- Liaison between Ministry of Health, Regional Government and Funding partners

Ministry of Health

Lima, Peru

Consultant and Trainer: Electronic vital registration system (SINADEF)

2016–2017

- Training of vital registration system completeness (ICD coding) among different hospitals and regions in Peru
- Evaluation of vital registration entries for quality and completeness assessment

Sociedad Operadora de Salud

Lima, Peru

Medical Data Analyst

2015–2016

- Data extraction, analysis and processing of the first all-digital Electronic Health Record Hospital network in Peru

RESEARCH PROJECTS

Prevalence of home birth in 67 low- and middle-income countries

Corresponding author, conceptualization and data analysis of home birth prevalence in 67 LMIC

2019

- https://github.com/horaciochacon/rdhs_home_births

ENDES.PE

Development of an R package for the handling of Peruvian Demographic and Health Surveys data

2019

- <https://horaciochacon.github.io/ENDES.PE/>

Cayetano Heredia University

Loreto, Peru

Adaptation of an mHealth application for the screening and monitoring of COVID-19 in Loreto

May 2020

- Co-principal investigator piloting a community health worker-led intervention to screen suspected COVID-19 cases
- Funding acquisition and project management
- Development and adaptation of M&E tools, data collection workflow and mobile application

Cayetano Heredia University

Loreto, Peru

Mamás del Río: Improving maternal and child health in remote rural Amazon communities in Peru

2016–2019

ADDITIONAL EXPERIENCE

Non certificate Trainee

Center for Studies in Demography and Ecology - University of Washington

2021–Current

Peer Reviewer

SSM Population Health (ISSN: 2352-8273), RPPESP (ISSN: 1726-4642), AMP (ISSN: 1728-5917)

2018–Current

Founder: enam.pe / enarm.pe / enae.pe / enao.pe

Lima, Peru

Question bank platforms for Peruvian national healthcare professional standardized exams

2020

Public Policy Contribution

Loreto, Peru

Ministry of Health

2017

- Integral and intercultural health care model for the Pastaza, Corrientes, Tigre, Marañón, and Chambira river basins in the Loreto region (2017-2021)

TEACHING

- **Visiting Lecturer** at Scientific University of the South
Medical School: Evidence-Based medicine and Thesis Seminar

2019 –2020

SKILLS

- **Advanced:** R, Git, SQL, Power BI, L^AT_EX
- **Intermediate:** GIS, Bash, Linux/Unix, ssh, Docker
- **Basic:** Python

LANGUAGES

- **Spanish:** native speaker
- **English:** fluent
 - **TOEFL iBT:** 103
- **German:** intermediate
 - **Sprachdiplom I & II, B2.2**

CONFERENCES

- **I-TECH Annual Meeting**, Digital Health at I-TECH, the ZIM-PAAC Data Improvement Plan (ZDIP), Online, (June 2021)
- **6th International Conference on Information Management and Big Data**, Comparing predictive machine learning algorithms in fit for work occupational health assessments, Lima, Peru (August 2016)
- **Congress of Virtual Reality in Health and Telemedicine**, Mamás del Río: using technology to improve maternal and child health in the amazon rural communities, Lima, Peru (June 2018)
- **Information and Communications Technologies in the Primary Health Care**, Lima, Peru (December 2017)
- **Grand challenges annual meeting**, Mamas del Río representative, Washington DC, USA (October 2017)

TRAININGS, WORKSHOPS AND SHORT COURSES

- **R programming**, Johns Hopkins - Coursera (2019)
- **Getting and Cleaning data**, Johns Hopkins - Coursera (2019)
- **Exploratory data analysis**, Johns Hopkins - Coursera (2019)
- **The Data Scientist’s Toolbox**, Johns Hopkins - Coursera (2019)
- **Statistical Inference**, Johns Hopkins - Coursera (2019)
- **Reproducible Research**, Johns Hopkins - Coursera (2019)
- **Health and Environment: integrating spatial-temporal phenomena using a frequentist and bayesian approach**, Buenos Aires, Argentina (July 2018)
- **Training of Trainers: correct completion of death certificates**, Bloomberg Data for Health Initiative, Lima, Peru (November 2016)
- **Healthcare Technology Evaluation for Decision-making**, Lima, Peru (October 2016)
- **Global Innovation Through Science and Technology Boot Camp**, Lima, Peru (August 2016)

SCHOLARSHIPS AND AWARDS

Award

Seattle, USA

Gilbert S. Omen Award

2016

– 2022 Master’s Gilbert S. Omen award for academic excellence, School of Public Health, University of Washington

Scholarship

Organization of American States (OAS) Graduate Studies Scholarship

USA

2020-2021

Fellowship

Scientific University of the South

Lima, Peru

2020

- Cabieses fellowship: associate researcher 2020 fellowship award

Scholarship

Interdisciplinary Latin American Training Center

Buenos Aires, Argentina

Summer 2018

- A full cost scholarship was awarded for the 2 week course: “Health and environment: integrating spatial-temporal phenomena by means of a frequentist and bayesian approach”

Award

VentureWell and US Department of State

Lima, Peru

2016

- Second Place: Global Innovation through science and technology demo day (Mamás del Río program)
